A message from the Commodore

Sunshine and good vibes to you LCYC! We noticed some of you shaking it down and twirling around..... Thank you to everyone who orchestrated, helped, and attended our Regatta! I greatly appreciate the Friday night cooking again and seeing the teamwork at hand. Helping and attending really shows support to the event planners and our club. Thank you, P/C Becca, for your guidance, dancing with me, and showing my children a great time. Don't tell My wife please! It's an honor to make family memories as our commodore and a pleasure to have LCYC members right along with us. I'm proud to announce we managed to keep all our cannon packing rods safe from projectile ejection this year. Mostly because Michael Palmer gave us the honor of firing the cannon and NOT someone else. I hope everyone had as great a time as I did!

Of the other 3 club regattas, CLYC unfortunately was rained out. With dignified purpose, Commodore Jeff Zika let us party indoors! I talked to several influential people in the yachting community and really enjoyed it. (I hope we aren't shunned from the river now lol). WCYC had some large Bloody Marys and an expansive brunch. We all had a riot with the blended personalities and Commodore Terry Calkins on the boat! CRYC, I unfortunately wasn't available to make it. After going through the short list of people available, and people they would accept, in lieu of myself, they requested for our beautiful haired fleet captain or a Feldman. "Would you like the pretty one or the grumpy one" I asked. They replied, "Pretty grumpy will work". So both P/Cs Attended. I heard it was a blast!

I hope our members are doing well. As we work through the next few weeks, months, years, you enjoy yourself and live happily. If there is anything I can do for you or our club, please reach out. It is so wonderful to see so many children around! For our club, I kindly ask you again to keep your children at a safe speed when riding anything. With common sense, not in the evening or on a crowded day. Two likely preventable tragedies happened within a few miles from us. The unfortunate loss of children's lives, one drowning and one ran over. Please keep them and their families in your thoughts and prayers. Keep your children and small guests supervised with life jackets on.

I look forward to seeing you soon. Stay healthy and happy LCYC, call or text if you need me. Thanks for being great!

Secretary's Scoop

It's hard to believe we're in August! The summer is flying by. With August comes the formation of our Nominating Committee. The Board has appointed Gretchen Bunnell to Chair the Nominating Committee, and the list of members on the committee are posted on the Club Bulletin Board. Along with the Officer positions, this year there are three Board of Trustee positions to fill. If you are interested in running for any of these positions, please contact a member of the Nominating Committee. Interviews for available positions will be held in August. The list of proposed nominations will be made at the September meeting and posted on the bulletin board. Nominations will then officially be made at the October meeting, and elections held at the November meeting. This is a great opportunity to get more involved with LCYC. Remember, to be eligible to hold office, a person must have been a member for one year prior to the nominating meeting in October, and have attended at least half (6) of the regularly scheduled meetings in the period October 1st through September 30th.

As always, you can contact me at lcyc.business@gmail.com or by text at (216) 798-6631.

Vice Commodore's Corner

Hello, LCYC Friends,

In the blink of an eye, it is August. Not to despair, because there is lots of Summer still left to enjoy at our beautiful club!

Our club Regatta was a blast – thanks to everyone for all their hard work putting on our traditional summer party. Special thanks to Robin and Steve for helping me keep the bathrooms stocked up with paper products all weekend long.

By the time you read this, our gate and door lock system should be getting installed. If you haven't already received your new key fobs, see me soon. You will not be able to get into the club or access any doors with the old cards. Remember, every dock can purchase two fobs for \$10 each – extras will be sold at \$40 each.

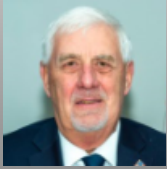

Please reach out to me if anything needs attention in our clubhouse or bathhouse. Please clean up after yourself after using any of our facilities – our cleaning crew does a great job, but they are only contracted to clean once a week. It is all of our responsibilities to keep our facilities clean.

Rear Commodore's Update

Shout out to the legendary Mike Scaffide, our resident dream catcher and all-around hero of the grounds. When the mystery smells started creeping up (you know the ones...), Mike rolled in with time, energy, and some seriously impressive machines to uncover the plumbing fail hiding below. Thanks to him, we're on track to get everything flowing the way it should.

Joke of the Month:

- Why did the toilet paper roll down the hill? To get to the bottom!
- Why did the sink break up with the faucet? It couldn't handle the pressure — relatable, honestly.

August has been serving up golden sunsets, breezy evenings, and all the reasons we adore this club. Seeing everyone out on the water, laughing on the docks, and squeezing every drop out of summer has been pure joy.

Thank you for being you!

Sunshine

- Marilyn Schaefer is still recovering from her fall in April.
- Bill Gudowicz had back surgery.
- Congratulations to P/C Dawn Brewer and Scott Bickel on their marriage during Regatta!
- P/C Al Vlach has been diagnosed with bladder cancer. He had surgery on 7/8 to remove the tumor. The cancer is aggressive and fast growing. He will have another surgery on 8/12 before starting treatment.
- Diane Kromar had shoulder surgery.

As always, please let me know if you hear of anyone in need of some sunshine!
